College Sports Communicators Academic All-District® Football Teams Released

The 2024 Academic All-District® Football teams, selected by College Sports Communicators (CSC), recognize the nation's top student-athletes for their combined performances on the field and in the classroom. The CSC Academic All-America® program separately recognizes football honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III, and the NAIA.

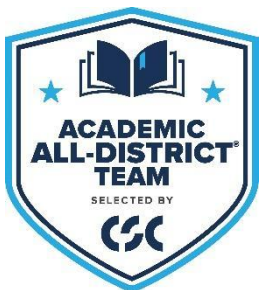

The CSC Academic All-District® teams include the student-athletes listed on the following pages.

Academic All-District® honorees were considered for advancement to the CSC Academic All-America® ballot.

Student-athletes selected as CSC Academic All-America® finalists are denoted with an asterisk and will advance to the national ballot to be voted on by CSC members. First-, second- and third-team Academic All-America® honorees will be announced January 28, 2025.

The Division II and III CSC Academic All-America® programs are partially financially supported by the NCAA Division II and III national governance structures to assist CSC with handling the awards fulfillment aspects for the 2024-25 Divisions II and III Academic All-America® programs. The NAIA CSC Academic All-America® program is partially financially supported through the NAIA governance structure.
